

## **2D66 12:54 Orpington - London Victoria**

**\*Please Note\***

- **Your timings, as well as the timings of AI trains, are based on the \*full\* February 2023 timetable.**
- **Please try to stick as closely as possible to speed limits so that you get the desired effects from this scenario.**
- **You will notice fewer, if any trains stabled in yards and depots, in order to save FPS.**
